

## FAST and IDGI Certification

Login to the TIER data system through the Iowa Portal ([www.bit.ly/iowaportal](http://www.bit.ly/iowaportal)) and click on FAST Certification.

From here you will be able to view a list of assessment and see which assessment you have been certified on.

If you need to be certified on an assessment, click on the assessment name to be taken to the FAST website where you can complete the training.

FAST will notify the TIER system when you are certified to administer an assessment.
